People under the age of 25 (on the 30<sup>th</sup> June 2009) who are, or have been, resident in the catchment area of the former Catbrook School can apply. The Trust administers funds to support the education (including social and physical training) of qualifying individuals and groups.

The Trustees will review applications during the Winter in order to make funds available to the successful applicants early next year. Completed Application Forms are therefore required before the **Closing Date of 31<sup>st</sup> December 2009.**

In some cases the Trustees might offer a partial award.

Awards are dependent on proof of expenditure.

A list of successful applicants with a summary of outcomes will be circulated locally and it is hoped that some of these might be used for future publicity purposes.

The decision of the Trustees is final.
